Colonial Child's Adventure Camp 2017

Schedules & Pricing

(Ages 8-12) Boys and girls spend a week exploring life in the 1700s as a colonial child! Activities at both the historic Noah Webster House and the farm at Westmoor Park give campers first-hand experience with the games, fun, and chores of colonial times. During the camp, children become colonial "characters" and help to cook their lunches over an open hearth. They explore Noah Webster's house and garden, work on crafts, and play games. At Westmoor Park, children encounter life on a farm by caring for the barnyard animals, tending the vegetable garden, and creating food and crafts from the bountiful natural resources of the park.

Monday, Wednesday, and Friday sessions will be held at the Noah Webster House, 227 South Main Street, West Hartford. Tuesday and Thursday sessions will be held at Westmoor Park, 119 Flagg Road, West Hartford.
